

A Prayer for Strength: Christ Dwelling in Our Hearts
August 18, 2019
Ephesians 3:17

1. Towards what purpose does God save a person?
2. How would you explain “Christ dwelling in our hearts” to someone?
3. If Christ already lives in the heart of every believer, why pray that He may “dwell” there?
4. What does it mean to say Christ dwells in us through faith?
5. How would you explain “living by faith” to another person?
6. How would you use this passage to help someone who says they are a Christian, but isn’t acting in a way consistent with that claim?
7. Why is it important that Christians learn to walk by faith?

Application

1. What does your life say about what you believe about God?
2. Have you determined to walk by faith, and allow Christ to be the controlling factor in your attitude and conduct?
3. What are some things you can do to increase your faith and your knowledge of God?
